New Year's Eve is just around the corner, which means you'll soon be making the annual New Year's resolution of falling off the crazy-high-grazing diet. But it's still kind of neat, as you'll see below, to look up and see the massive family-size letters. According to Len Rosen, vice president and general manager of the Center, "we decided to go into the Time Warner Center as it was constructed originally. The candy store and candy hearts, and the huge video display, and all that was in the building 648931e174
