EVICTION NOTICE

We regret to inform you that your suite is scheduled for demolition in three days.

If you do not vacate the premise by midnight on 25 April, 2014 we reserve the right to destroy all remaining belongings. We cannot be held responsible for property or persons remaining inside the premises. Charges for demolition will be applied to your student accounts.

Eviction notices are routinely given to Palestinian families living under Israeli occupation for no other reason than their ethnicity. Forced evictions are arbitrary, racist, humiliating, and in violation of Article 53 of the Fourth Geneva Convention.

Palestinian homes are destroyed as part of the state of Israel's ongoing attempts to ethnically cleanse the region of its Arab inhabitants and maintain an exclusively "Jewish" character of the state. By destroying Palestinian homes, the state makes room for illegal Israeli settlements. The Israeli government itself describes this process as "Judaization."

The United States government, American corporations, and NYU faculty pension funds support these policies through foreign aid and investment.

27,000 Palestinian homes have been destroyed since 1967.

160,000 Palestinians have been left homeless as a result of these policies.

THIS IS NOT A REAL EVICTION NOTICE.

This is intended to draw attention to the reality that Palestinians confront on a regular basis.
