Download Kama Sutra 5.1 Book of the week! I know you're thinking 'WTF is This?' But in all honesty, Kama Sutra can be written as a best-seller. Why? Because it has a great story that goes along with it's carefully prepared sex positions. Listen to what Meka is saying, 'Not everyone is ready or capable to consume the full effect of the Kama Sutra' or 'Some people would hate the refined Kama Sutra'. So in other words 'Those who have been satisfied with sex positions and have been able to maintain their self-esteem and a healthy sex life?... Show More Through the centuries. Forget about the positions, and instead learn about the human emotions that Kama Sutra will open your eyes to. Kama Sutra is about the human's body - not about the physical sexual body of your partner and how to 'make love' it.
