Examples: [Friday, 22 April 2010 Did Gemma ask for a Hypnotherapist? If you were Gemma Kelleher's mum, would you have consulted with a Hypnotherapist about your daughter's condition? I think the answer is yes.Not only did she consult with a Hypnotherapist, her condition got worse and Gemma had to quit her singing career to undergo treatment in a private clinic. It was decided her treatment regime would be 10 hours of Hypnotherapy and 8 sessions of therapy. Hypnotherapy is a very popular treatment in Ireland for a number of reasons. First, it's tried, tested and research has proved it can be a successful treatment for eating and weight related disorders. Hypnotherapy works by operating on a subconscious mind level to help alter a person's perception or understanding of a situation or problem. It may sound easy to use a tape 3ef4e8ef8d
