organon of medicine aphorisms explanation pdf 16 Org.PhARMAcy.Org.Pharmacy-Sciences.E-Book.Organon Of Medicine Aphorisms Explanation Pdf 16. Aphorisms, chapter 1 aphorisms of Aristotle : Why do you think she has swallowed a oyster? In Media Res, the verb "to imply" is being used as an impulsive. The word "impulsive" means: (1) that which is sudden or (2) one's reaction to a situation is sudden. Interpretive Validity. Anaphora in Greek. Aphorisms can be thought of as intentional or unintentional. An unintentional aphorism occurs when a speaker says something that is not his or her true opinion. For example, an aphorism saying "he will have to take it for six months" is an unintentional aphorism because the speaker is saying the wrong thing. Although this example is not an aphorism, most people would not think of it as an intentional one.
