[15th Jan] [7/25/14] Some of you might be wondering why I am releasing a new version of Cakewalk Boost. The older version had been dormant for years and the people that worked on it had all just moved on to other projects. I made some research and came across some notes that suggested that I have some ideas to make it better than the version it was then. [11th Jan] [10/24/14] I
