To activate the key, you need to have a license disc or the distribution of the game! The easiest option to take a friend's original game disk or download any . Game Features: Adaptive Gameplay, New Tactics, New Aircraft, New Missions. Get the game on steam: Fight against other players in Night Raid, a new Team Battle mission where one team attacks and the other defends a besieged city. Автор: DevilHooker Название: The Hunted: The Demon's Forge Издательство: Activision Studios Дата: 09.05.2015 Версия игры: Продолжительность: 21 минута Автор обновил: 135 из четырех продуктов

---

The Hunted: The Demon's Forge lets you take on the role of a bounty hunter whose mission is to find and extract the soul of an ancient demon before it is released and threatens to destroy the world. The game features a beautiful new game engine, customizable weapon upgrades, a variety of weapons, and intense action. The Hunted: The Demon's Forge was released on March 23, 2015. It received a rating of M from the Entertainment Software Rating Board for "Blood, Violence, Language, Strong Language, Sexual Themes, Suggestive Themes, Use of Drugs and Alcohol." The Huntsman's mark is a glowing, not-quite-invincible tattoo that's
