It just needs one 7" single each of the two sides (cut-up together) and I'll give you the full music player plus a double-LP copy. I'm not 'official' but I know the stories behind this music. "Avant-garde" was a term invented by Lester Bangs in the late 1960s to describe rock music as a high-concept art form and an art form whose time had not yet come.. In the early 1960s, there was a sense of experimentation in German music. Rock was new, but there were already exceptions: Bertolt Brecht/ Kurt Weill and a few other musical avant-gardes. Even the commercially successful soundtracks at the time. "All the King's Men" is sung by four male voices, probably British. It is likely that the song comes from the well-known musical "Capitol" in the "Alice in Wonderland" (1951) with music by Leigh Harline and
