June 9, 2021 - Codeplug password prevents unauthorized technician from accessing the radio… There is no way to bypass a forgotten password. Outside, under the moon, it was quiet. Even the wind has stopped. â€œI think we should try,â€ I said softly. - Do we have another plan? â€œI have one thought,â€ said Ravik. â€œI don't know if I can make it happen. But maybe it will work. We must try. - Speak. I don't know if we have time. I'll explain everything later. Now we must go. He glanced at the radio station again. â€œWe need to know how it works. â€œWhat if we are intercepted?â€ Auster suggested. â€" Then we'll be wasting time. fffad4f19a
