
IGO Primo 2.4 Win CE Download Torrent

[Download](#)

Oct 15, 2015 - hello everyone. Can anyone point me where to download the new map for WinCE 6.0 Igo Primo 9.6.13.267029 thanks. P.S. I need to download this map and install it on the map in my navigator. P.P.S. I think I'm not the first to want this card. So if so, sorry. I have my Igo Primo 9.0 on Windows CE 5.0. I want to update it to 9.6.0. I installed this program. I am unable to do so due to the following errors. 1. Igo Primo does not show any cards. 2. I can't install the map. 3. I can't check the version. 4. I can't see the version. 5. I can't find "update". 6.
