The chief executive of Wikileaks' Australian arm has confirmed the whistleblowing site has been ordered to reveal the source of a leaked email about a U.S. defence intelligence program. A "foreign government" has issued a direct threat to Julian Assange and any publication in that threat could result in "serious harm" to the founder of the whistleblowing website Wikileaks, journalist Nick Davies revealed on Wednesday. "Under the presumption that Julian and WikiLeaks must be under some sort of investigation or threat, I think, in fact, for the first time, it's been made public by the foreign government that's been issuing
