

**Chris Rock Kill The Messenger 2008 Torrent**

chris rock kill the messenger 2008 Here is another movie to watch. Somehow it so happened that I never watched films with Chris Rock. And to be honest, I don't know what he does in these films. But as you can see, he likes acting. This time he played in a movie called "Kill The Messenger". The film is about a group of people. They were people of different ages and social status, but they knew that they would die soon. And only one of them, John, knew for sure that he would not die until the end of his days.
