August 27, 2021 - Clicking "Licenses and Purchase Codes" will take you to a page where you can get download links and purchase codes for MapleSoft products... - But I won't play MapleSoft! I don't want to play at all! My mom and I just bought this game and it was completely empty! No games, no menu, nothing! I'm so sorry. The waitress told her, as if it really was her fault. Is there anything we can do to make up for the inconvenience? Just bring me what I want and take it away. - We can't do that. It was your purchase. But then why didn't they immediately bring the money back to us? This was my purchase! It wasn't his purchase!
