What's New in the Dolphins Windows 7 Theme?

DigiCal 10 - Mobile Tools DigiCal is a customizable calendaring application that offers a powerful and easy-to-use solution for scheduling appointments, creating birthdays, sharing reminders with others and more. DigiCal is easy to use and it works on all major operating systems. It has a visually simple design that makes it easy to use and powerful enough to be a full replacement for any calendar application you may have used in the past. DigiCal includes a lot of useful features such as appointment, alarm, calendar and task lists with reminders. It is completely free, fast, and easy-to-use. •

PUSH NOTIFICATIONS - Use DigiCal as an alarm clock. Set up the application to show you the message in the notification bar when a new appointment is added, when a new task is created, or when any other event occurs. • AD HOC EVENTS - Create a one-time event, recurring event, or view the events of all contacts (in a group) with ease. • INVITATIONS - Send an invitation and make a birthday party more fun. • ALARM - Set up a reminder with a sound, image, or both. • CALENDAR - Create a calendar with events. See upcoming appointments or check the calendar of any contact in the group or single-contact view. • TASK LIST - Create a list of tasks and deadlines. • TASKS - Create a task and set due dates for it or recurring tasks. • PHOTOS & VIDEOS - Attach photos, or add a photo album to a task. • CALENDAR ADJUSTMENTS - If you have trouble viewing the calendar or have the wrong date set on your computer, adjust the date to a more convenient day. You can also quickly add or subtract days from the calendar. • EVENT ADJUSTMENTS - You can quickly add or subtract hours from the time the event ends or a reminder is scheduled. • GROUP ADJUSTMENTS - Set the date and time for an event in a group or all events in the group. If there are several events on the same day, the app will automatically choose the most convenient one to set the time for. • MESSAGE ADJUSTMENTS - Set the message for a task, photo, or a link. • GROUP ADJUSTMENTS - Set the date and time for an event in a group or all events in the group. If there are several events on the same day, the app will automatically choose the most convenient one to set the time for. • TASK ADJUSTMENTS - Add a task to a different list. • EVENT ADJUSTMENTS - If you have trouble viewing the calendar or have the wrong date set on your computer, adjust the date to a more convenient day. You can also quickly
