has a "folder" it is trying
to delete and no disk is
installed. . Jun 26, 2016 it

says when i go to play
u.u'ic-misor run or instal
the game the sims 2 disk 4
is already there? and u.uic-
misor does not work very
well!!! I have searched all
over and can not find the
sims 2 disk 4 A: You have
two options: Install
through DVD Use another
game And no: Using a
second drive and copying
the files manually is not

supported. You should use the regular installation, and only after that you can add the DLC. Noori wrote: So we're going to bring our experience and try to help, but if no one has time to devote to just one game, then we'll have to consider what game you'd like to see more of.

ok, sorry, the way i misunderstood the rules

was this: Riiight, so I
guess the question
becomes would you guys
be interested in playing a
game where you are
forced into a more
traditional RPG
experience? I think that'd
be a great fit for all the
smaller forum cats, like
me, who have zero idea
how a game is played.

Like what? And we'll just
do it for every post you
make as a responder on
