After years of red tape delays, the hardest part of creating a completely new game was finally over. The developer's announced that that this year, Mask of the Phantasm hits stores all over the world. Fans, rejoice! In the grand tradition of Raven Software, Mask of the Phantasm will be a remaster of the original 1994 Playstation game. And while the name may sound dated, these are not your father's Phantasm games. Mask of the Phantasm features many tweaks and improvements, including a fluid combat system and the signature... Mask of the Phantasm is described as being a 2.5D side scroller or action-RPG. This is actually just its current genre description, as that refers to the way the games are being visually styled. Mask of the Phantasm will be released in both 2.5D and 3D. Fans... Mask of the Phantasm will feature a comedic story, as well as a goofy combat system. According to the developer, Mask of the Phantasm will include "at least 400 hours of gameplay". That puts it neck-and-neck with the new hours of Dead Space 3. This means that the game will be worth checking out if you missed out on the previous games. The last two games in the Phantasm trilogy released relatively well. Generally, the sequels did better than the original. Other Features Include: Comedy of the highest order. Phantasm-like
