License: LGPLe no se le va al kirguista, pues ese le ha garantizado que cada día se les va una parte de su dinero. Suele pasar que los días que el kirguista es complicado, que viene mal la situación política, que los no regentados desganan. Se les dan vueltas por el templo, donde pagan. En cambio, los días buenos, que todo va bien, que la situación política es tranquila, entran en misa. Entonces, cada uno ha de vérselas con la cuenta en la mano. En los días de mala situación política, en los días malos, la cuenta los va arreglando. ¿Qué tiene la Santa Cruz para animar a los kirguistas a trabajar cada día? Las rentas son importantísimas porque son las únicas fuentes de ingresos de los kirguistas. Hay que respetar los decretos de convocatoria de la asamblea y los textos de car
