Please report bugs or suggestions at #traffic #cameras #desmoines #wodLast Wednesday, Donald Trump — a man who has called Mexicans rapists and drug dealers, and a man who has promised to build a wall on the US-Mexico border — gave an impassioned speech on the campaign trail. It was full of populist nationalist rhetoric, and took the theme of combating immigration from “criminals” and “rapists.” For Donald Trump, the data is that immigration is bad for Americans. Crime has been trending up since the recession, and was at its highest during the 1990s. Between 1980 and 2013, the rate of violent crime in the US went from at 6.7 murders per 100,000 people down to 4.6 murders per 100,000 people. But the number of US citizens killed by a non-citizen is 1.3 times higher than the number of non-citizens killed by US citizens. One of the conclusions of the book on the causes of the Great Recession is that the big drop in the incidence of crime happened when illegal immigrants arrived in the country, since they were mostly men between the ages of 18-45 who were mostly single. This is precisely the age bracket that tends to commit crimes. This is also exactly the age bracket that is being hit by the immigration ban — the ones that
