5. Click "Recover My Files" and then agree to the steps of the Deleted Files Recovery Wizard. Data recovery software. You can always . download and install a free file recovery program from the Internet. But it is better to choose a program that will be recommended to you by a specialist with sufficient experience in data recovery. It will test it on specific files extracted from different systems and on specific hardware. This will give you confidence that your data recovery program will be the best fit for your particular operating system and particular damaged file system.
