Mafia II - Renegade Pack [Steam] Killing Floor 2 Mafia II: Renegade Pack Key [Full Game] Mafia II: Renegade Pack - Steam Key. Vito Lonardo has served the Five Families for 20 years and has only one goal: to prove he's smarter and stronger than his rivals. As the mysterious Vito Lonardo, you command the Chicago Outfit's largest and most profitable empire: a vast criminal enterprise that stretches from the Windy City to the New Jersey shore. To protect his interests, Vito must strike a deal with Luca Maranzano, the ruthless crime lord who rules over the New York Families. Together, you and Luca will pull off the most ambitious heist of all time, a score that will make you the most powerful gangster in the history of the Five Families. Yet to pull it off, you'll have to outsmart the FBI, outplay the FBI, outlast the FBI...and outmaneuver your own gang. For years, the Five Families have been battling for supremacy in Manhattan. But when the out-of-control clan warfare spreads to the suburbs and the unpredictable winds of city politics shift the balance of power, it's the suburban outposts that will lose the most. In the eyes of the press and the authorities, the suburban tri-state area is little more than a fetid warren of crime and corruption. Young punks roam the alleys, gangs rule the streets and politicians connive for control. Mafia II DLC: Renegade Pack download Full Game. Mafia II: Renegade Pack Key's.
