What's New in the?

No designer has come up with a theme pack as magnificent as this. Do you love the sand in your hair, on your face, on your clothes, on your body, on your pets and even on your baby and baby animals? Maybe you can sense a change of weather coming. Or maybe you just want to escape the rain or the cold. No matter what your reason, Dune Valley Dunes Theme will take you to the beautiful landscape. This theme pack has dunes in three different sizes: Widescreen: 2560*1600px Computer: 1280*1024px Mobile: 640*960px Designed to be a pleasure for anyone who loves nature, the dunes in Dune Valley Dunes are not only eye-candy, but they also serve a practical purpose. These sand dunes actually represent the the story of life. A soft sand represents the beauty of the past, a soft wind represents the good and pure of the future. For those of you who have been looking for a beautiful and satisfying Win 7 theme pack, you have definitely come to the right place. The screenshots for Dune Valley Dunes Theme have been captured at 1280*1024px resolution and at a 16:9 aspect ratio. Feel free to play with the different view modes and colors. You can easily edit them as you see fit. All windows are fully resizable. The Windows 7 background has been altered to fit the themes. This one does not affect performance in any way. It is easy to use and to get started with, just install the theme and then use one of the included themes. The only thing you have to do is to follow the simple instructions to apply the dune effect on all windows. You do not have to use the included themes, you can create your own. Just unpack the archive and place the three themes you want to use in your Themes folder. The three theme files for Dune Valley Dunes Theme are named dunevalley.xml, dunevalley.wim and dunevalley.xpi. If you like the theme you downloaded, please use our recommendation button. We only recommend themes we really love. In this Review Dune Valley Dunes is a Win 7 Theme Pack Dune Valley Dunes Theme is a perfect Win 7 Theme. The screenshot below is taken at 2560*1600px resolution. You can see all the windows in Dune Valley Dunes Theme are resizable. This theme is made to be a pleasure for people who like nature, the desert and the beauty of landscapes. This is an exclusive Win 7 Theme and does not affect performance at all. You can see in the screenshot below how the windows and icons are configured to fit the Dune Valley
