
Logs of Norton Ghost 11.5

In order to help you, we have two methods for you to download and use. Feb 4, 2021 I am not able to download or use Symantec Ghost 11.5 (2003) it's not responding! Need assistance on how to download this version. symantec ghost 11.5 has been released as a free download! May 5, 2021 I need to use a current version of Ghost which is not the latest version as 11.5.1.2266. Apr 9, 2013

Hi, I have just purchased a new drive & have a compressed image of my old drive (Im using Ghost 5.0). Jul 26, 2017 The Symantec Ghost is not a real imaging solution, it's a tool for backing up and restoring files. Symantec Ghost not intended for full backup and image creation. More info here: How to back up a complete system with the Symantec Ghost? Jan 20, 2019 Does the current Symantec Ghost 11.5 offer an option to resize the Ghost Virtual Drive? Feb 20, 2019 I am running out of free space on my drive, so I want to shrink the virtual drive, is there a way to do that? Dec 20, 2019 I cannot see the symantec ghost option in my windows control panel in setup\apps. It does not appear. Also, is there a problem with the Symantec Ghost 10? Sep 25, 2020 Hello, I have just downloaded the Symantec Ghost 11.5 version from the link below, but I cannot start and run it, if I click on the setup button, it will automatically close down the setup as shown in the image below. Any ideas? symantec ghost 11.5.exe has been updated to version 11.5.1.2246.1 and includes bug fixes and performance improvements. Symantec Ghost 11.5.exe is available in various languages. Sep 26, 2020 The current Symantec Ghost 11.5.1.2246.1 is totally broken, it still doesn't run with Windows 10 after I installed it several times and removed it from the machine, it's really buggy and I need to recover my data from my bootable drive I created with Ghost 11.5, because it's corrupted after some time and I couldn't fix it anymore, hence I have to recover my data. Do you
