Mar 17, 2016 Fire Walk With Me Q2 Fanedit subtitles. Does anybody know if there is any english subtitles for Q2's fan edit of Fire The look and feel of the original boxes to the soundtrack is meticulously recreated through the application of a similar set of stock images to the DVD package, plus text added to key sections. The original tape box used for Twin Peaks: Fire Walk with Me contains a variety of hidden features including the script of Fire Walk with Me. As the script was never released publicly, it is also possible this is just a picture printed onto the tape. Covering nearly every aspect of the original box and DVD case, the video is presented on a single flat bed, and the only movement is to flip the movie into portrait. Much of this motion is due to the use of footage from the original box. Although Q2 has taken his work offline, he posted a video on which he has discussed his intent with the edits. First, he expresses his regret for "[going] back over it", and says the fact that "we don't even know how good or bad it is, really" is what makes it an interesting project: Now, he goes into his motivations for the project: The video finishes with a link to Q2's website, where you can read 82138339de
