What's New In?

Is your "Add/Remove Programs" screen full of broken "Add/Remove Programs" entries? Would you like to get rid of all that clutter and restore your "Add/Remove Programs" screen to its original look? Add/Remove program cleaner is the ultimate tool to remove all these broken "Add/Remove Programs" entries. It's based on the best-known name in its field so it works in all Windows versions. It's free, ad-supported and doesn't have any complex configuration process. It's very easy to use. When launched, Add/Remove program cleaner scans your "Add/Remove Programs" screen and shows all broken "Add/Remove Programs" entries in a compact view. To get rid of the items you don't need, simply highlight the entries and hit the Add/Remove button on the bottom of the window. That's it! What you're left with is a clean "Add/Remove Programs" screen ready to start installing programs in the future. This application works with all major third-party programs which are installed by default in the "Add/Remove Programs" screen. It's a great tool for computer novices as well as power users who just need a quick way to get rid of broken "Add/Remove Programs" entries.
