"keygen" could be a bad word since its goal is to create and "key" is related with "keyboard". However, if there are any "keygen" key on the keyboard, you can press it to see the software's "keyboard" key. Could you know what is it? Updated: The estranged husband of an Arizona woman whose body was found in a river miles from her home has died after a stabbing himself, investigators said. An autopsy will be performed to determine a cause of death for Jose Antonio Ortiz, 24, who was found dead of a single stab wound in a barn at a horse property near Rural Road and the Verde River in Goodyear. Police officials said they believe the slaying happened sometime late Tuesday. Authorities have identified the victim as Danielle Michelle Davalos, who has been missing since mid-March. Her body was found when authorities went to the property early Wednesday to contact Ortiz after he failed to respond to several calls to his cellphone, officials said. Ortiz had been gone for a few days, but investigators did not say how long he had been missing or where he was last

seen. He and Davalos, 21, had been in an on-andoff relationship and lived together in Phoenix before they separated in March and Davalos moved to Goodyear, Maricopa County Sheriff's Office said. It was still unclear Tuesday whether she was in the area the night before her death. An investigation into her disappearance was being led by the sheriff's office and the FBI. Ortiz had not been seen or heard from since he was at Davalos' home in Phoenix on March 15, authorities said. She had been on extended visits with her parents since then, they said. Davalos was last seen March 19. Her car was found parked at a local club, but she failed to return home. She told her parents she was going to spend the night with friends, and investigators determined that she never made it. After learning she had been missing, the parents went looking for her and found her wallet, keys, phone and car abandoned in Rural Road. Davalos, a Goodyear High School graduate, was on her way to Los Angeles. Ortiz's parents moved to the Phoenix area from Mexico and now live in the foothills of

Paradise Valley, about six hours from Goodyear. Family members told police that Ortiz was set to go
