

Many fans of "LA Noire : The VR Case Files" gave the game a lot of negative reviews on Steam and criticized the game in virtual reality. But at least one fan seems to disagree. According to The Verge, the creator of "LA Noire: All the Case Files" stated that the game has been his most favorite since its release. According to the creator, playing in virtual reality was "overwhelming" and virtual reality "gave me a new perspective on the game." "That was incredible. I was in awe of how well the game worked with VR and all the surprise discoveries I came across," said the creator of
