In Pokemon, you can buy all the characters to start your path at the pokemon academy and then fight all the trainers. Each trainer has a pokemon and you have to use it to defeat it. It has more than 700 levels of tactical mini-games where you have to fight against different pokémon of each trainer in order to defeat them. A special pokémon is the magical Amulet that lets you have powers to defeat all your opponents. Pokemon Gate is a very good game but with a bad fault. There is no Pokemon Gate Network like in the original game. So it's not possible to communicate, multiplayer pokemon fighting game. In order to play this game you need to own the game (regardless if you have a wifi or not) and it will take between 20 to 30 minutes to download the game. The game development was made by Chuckle Games and distributed by Naka-Publishing International, Inc. The

copyright for the game is owned by The Pokémon Company in association with Nintendo Co., Ltd. Reviews: “Pokemon Gate is a rather simple, yet challenging, and addicting style fighting game that is a must-have for Nintendo GameCube owners.” – IGN “Though Pokemon Gate
