During a conference for progressive jazz in the Netherlands in 1993, Syphonic Jazz was asked to perform a track, "Call for All My Dead" by the group Rootz Underground. They premiered it on September 15 that year and the album that was released the same year became a great success. In 1995 Syphonic Jazz released their second album, 'Let's Dream of a Dream'. It featured the artists Noel Crombie, Bob Mintzer, Paul Rogers
