Look Back at Fall Finale The Vampire Diaries Season 6 bares no resemblance to the finale of Season 5. Between the return of our favorite vampire siblings, a super-intense emotional scene at Elena's school reunion, a bit of drunken fun, and a whole lot of bloody mayhem, the season 6 premiere of the CW series was a thrill ride to the bitter end. With Episode 2 being the season finale, will Season 6 of The Vampire Diaries simply be a series of cliffhangers and a shocking finale? Episode 2 of Season 6 of The Vampire Diaries is titled "The Originals." In the episode, Klaus tells Rebekah that if she gets Elena to help them in exchange for her life, they will return her to life in seven days. In this time, they must strip Elena of all her supernatural abilities and turn her into a mundane human. We know that Elena will have to be the one to help Klaus, Elena won't be able to summon her powers from anyone else, but who else will know how to do that? Will Klaus even be able to fulfill his promise in only seven days? Where in The Originals will the episode take place? The episode will air on June 23 at 8 p.m. ET on the CW. Now that everything has been cleared up from the big cliffhanger of Season 5, everyone knows what's going to happen to The Vampire Diaries Season 6, and no one else should tell anyone else what is going to happen to the series! At least not until after the Season 6 premiere. At least until then, spoilers will be over for The Vampire Diaries Season 6. Which Vampire Diaries Season 6 characters are still left? Besides Elena, there's still only one main cast member that is in The Vampire Diaries Season 6, and that is Ian Somerhalder's Stefan. Stefan, played by Som
