The screenshot shows a file sharing interface. On the left, there is a blue folder icon with a cloud inside, representing a file. Below it, the version number '6.4' is displayed next to five stars and the text '2865 VIEWS'. A blue 'Download' button with a downward arrow is visible. To the right of the button, it says 'SECURE SCANNED'. Above the button, the text reads 'File was found and ready to download!' and 'UPDATED 14 HOURS AGO'. Below that, it says 'Fastest Source: useenet.nl' with a checkmark. A note below says 'Click the download button and select one of the found cloud sources.' At the bottom of the interface, there are three icons: a navigation icon, a registration icon, and an FAQ icon, each with its respective label below it. A message at the bottom says 'You need to log in before you can post comments.'
