## What's New in the Oregon Coast Sunset?

A theme for Windows 7 that displays a beautiful sunset on your Desktop. This theme includes 3 different background images, that can be easily switched off and on, giving your computer a nice, colorful beach-like mood. You can also enjoy the decorative sun icons that float in the sky and the all-important moon moon icon. Furthermore, you can choose to watch the red, yellow and green sunsets by changing the frame. Oregon Coast Sunset Pros: - No system files are replaced or edited. - Fully compatible with all 32-bit and 64-bit Windows 7 editions. - Works with all languages. - Works with all languages. - No third party software required. - No third party software required. Oregon Coast Sunset Cons: - If you don't like the specific sunset, there's only one thing you can do: wait... If you like what you saw, you can always download Oregon Coast Sunset for free, get more themes here. I'm the Senior Web Designer for Deltic Studios, which means I'm good at creating websites and themes (including Photoshop templates) for clients. Check out my blog to read more about web design, my latest projects and any tips or tricks I think you might find useful. All Deltic Studios websites are built with Deltic Studio Premium which includes all design elements, Photoshop PSD templates, HTML5 and JavaScript, optimised for speed and quality. I'm also selling OSX themes (and websites) on ThemeForest. On the other hand, if you just want to watch The Office, pick up one of the Premium themes here. All our themes are currently available for Windows, Mac and Linux. You can also find other themes at Unity Themes - we have over 400 FREE themes for Windows, Mac and Linux. And don't forget... ThemeForest is where the theme quality is at its finest. ThemeForest is a vast repository of free and premium themes for the Windows platform. With so many excellent themes out there you can find one that will suit your needs perfectly. You don't even need a special theme to enjoy this - all we ask for in return is a few minutes of your time. We'd really appreciate your review of our free themes to help others in making their own decisions about the themes they use. ThemeForest is a valuable resource to designers and developers and a great place for them to find free and paid themes. In addition to
