WrestleMania is a professional wrestling pay per view (PPV) in the WrestleMania XXâ€. [Determination of chloroquine in blood and urine using gas chromatography]. A method for determination of chloroquine in blood and urine was developed. The drug was extracted from these biological materials by means of acetonitrile and after an enzymatic hydrolysis cleaned up for gas chromatography with the use of a polar column. The mean recoveries of the drug in the intact and hydrolysed samples were within the range of 83-96% and 88-102%, respectively. The mean coefficients of variation of the results obtained in the course of the analysis of the samples at a concentration of 1 mg/ml were 3.1 and 3.7%, respectively, the CLINE and JACOBS schemes. The authors wish to thank the following faculty from the University of Leeds for providing comments on the draft of this paper. We thank: Min Hu, Michael Lee, and Sungjoon Park for their valuable comments; Dorit Sorek, Ethan Johnson, and Shuting Zhao for their assistance with the laboratory components of the experiments; Ulrike Ellwanger for her comments on the experimental design; and Pankaj Mehta and Mariam Alsharif for his assistance with the informatics aspects of the experiment. Aiden: You should just send the poor girl to the police station and have done with it. Colin: Oh, I don't think so. I like to keep you on your toes, aye? Colin: Ah, you know me, when I'm in love, I'm gentle as a lamb. Aiden: That's because you're in love. So you can't feel any other way. Colin: Oh... Am I really? Aiden: Yes. Colin: I don't feel like a lamb at all, I feel like a 3e33713323
