Please take a look at the Fiddle Scrolling the text outside the image area causes the background-image to zoom in, resizing it. I want the image to stay exactly its size when the text tries to squeeze it out. Like this: How can I achieve this? Thanks A: Set max-width: none on the background-image: background-image: url(''); background-repeat: no-repeat; background-attachment: scroll; background-size: 100%; max-width: none; height:400px; Q: How to access an array within array using python and a dictionary I need some help with accessing the data in an array. I have used the dictionary to populate it, but cant access the values in the array (which are also in a dictionary) The data is in the format [{name:name1, x:1, y:2, z:3}] and I'm trying to access the x, y and z elements. This is the code I have so far: import json json_data = [{'name': "Name1", 'd': 1, 'x': 1, 'y': 2, 'z': 3}] d = {'d': 0, 'x': 0, 'y': 0, 'z': 0} for x in json_data: for key in json_data: if json_data[0][key] == 0: continue else: 3e33713323
