What's New in the Ultimate CD DVD Burner?

Ultimate CD / DVD Burner is a CD and DVD burning program with a very intuitive user interface. Besides burning data discs, it can also create ISOs and erase rewritable discs. It's very easy to use. The program's main window displays a list of available discs and files. Select the drive to be used and the type of content you want to burn, for example, data discs or ISOs. Open the file and choose the folder that contains the disc you wish to burn. In the main window's panel, you can check the CD progress, size and buffer. Besides its intuitive design, the software features a very easy-to-use batch process feature. To start the batch process, click on the little "+" icon in the bottom right corner of the main window. Then, click the button "Batch process" to open a new window. In this window, you can choose how many discs you want to burn and the size and quality of the disc you're going to create. When you click "Start", the software will start a new batch process. Advantages: • Supports Windows 2000/XP/Vista/7 • Very easy-to-use • Supports all drives and all media types • Allows to easily create ISOs • The so-called "Advanced Options" panel is available • Can work with discs of different types such as blank, rewritable, DVD+R/R DL, DVD+R/R DL, DVD+R/RW or DVD+R/RW • You can choose the location to put the content you're going to burn • The quality of a disc can be reduced, increased or fixed • Batch mode allows to perform the same operation on several discs at once • Supports both folders and discs that are shared by network • Supports language and region settings • Supports data discs, ISO discs, DVD video discs, DVD+RW discs and DVD+R/R DL discs • Supports to read the disc's data via Joliet (without data loss) • Supports CD write-once, CD-RW, DVD+R, DVD+RW, DVD-R, DVD-RW, DVD+R DL and DVD-RW DL • Supports to burn an ISO image • Supports to merge several discs • Supports volume names • Supports erasing rewritable discs • Supports read-only discs • Supports fast mode for burning • Supports fast write • Supports multi-speed burning (slow, medium, fast and very fast) • Supports automatic disc
