I am English (which does have a lot of characters) and most websites won't even let me download and install a font on my computer because of a some characters or else they wouldn't print at all on my keyboard. I have a Mac and I tried changing my font in the settings menu and that didn't work. If anybody can find a font that's good for American English characters that also works on my Mac, I would greatly appreciate it! I downloaded Europa Grotesk No 2 SH Bold Font from here, but I'm not sure what I did wrong. It just doesn't work for me.
