

Sep 14, 2021 - A new license key is required for vRealize Operations Manager 7.0 and later versions. All license keys except vSOM Enterprise Plus and its ... vRealize Operations Manager 2017 (vRealize Operations) is a comprehensive, scalable, integrated IT and business process management solution. This solution puts a complete set of tools at the company's disposal to ensure that its organizations operate efficiently and in a coordinated manner. The solution provides management of core business processes such as IT management, manufacturing process management (MRP, MRPII, MRPII/ERP) and business process management (BPM).
