Essentially, it's a motion-based gameplay system that uses kinetic energy and player data gathered during matches. The new Simultaneous Shot System incorporates a new AI. This is a new metric based on the game-conditions. If the player is in a good scoring position (such as a penalty area), the player is expected to deliver a killer shot. If the player is in a poor scoring position (such as a penalty area), the player is expected to deliver a shot from a medium-distance. The new skill challenges are new to the FIFA series, and include a close range xGP challenge, where the player has to execute an xGP type of shot. Moments to Remember - World Cups The moments that defined the progression of FIFA World Cups are now added to FIFA Ultimate Team, including the official FIFA World Cups. All of the moments for each edition are available as rarity-based World Cup Moments cards. New Cheer Tracks FIFA Ultimate Team now features the official FIFA World Cup Cheer Tracks, celebrating all the dedicated supporters who came from across the globe to cheer the teams onto victory at this year's FIFA World Cup. New Retro Player Items FIFA 22 offers over 300 new player items, including collectible player cards and kits, player abilities, Ultimate Team Boosts and more. Some of these items can also be obtained via Packs. Game Details FIFA 22 offers the most authentic and complete football gaming experience on the platform. Ultimate Team modes, new challenges, 'Host-A-Match', solo mode and a host of other new features are also part of the game. Key Features FIFA 22 is the biggest FIFA ever. FIFA 22 introduces the new "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay. ## **Fifa 22 Features Key:**

- Player Progression - Real-time player progression. Team strengths are adapting to your performance, creating a more realistic on-field experience. After every match, you can compare your players' strengths and weaknesses with the players on your team and propose a unique formation that better fits your team's identity. Play future games more often with AI instructions from your game engine.
- Improved Training - Create your Ultimate Team and share it with your friends online. Now you can improve your team with line-up changes, task specific instructions and example formations with the full coaching toolset.
- New Manager Views - Focus on the match flow or choose between ball and team views to better coach your players.
- Coach Management - Introducing the concept of a "Builder of a Team." For the first time, customize your players' gear to more effectively bring out your soccer team's strengths and weaknesses. From training sessions and video reviews, to in-game coach tweaks, you'll see huge changes in how players perform and use more of the game's authentic plays in your team's strategy.
- Technologies - Using "HyperMotion Technology," we are able to render and simulate incredible football strikes and bicycle kick's with unprecedented fidelity. "HyperMotion" features are exclusive to the FIFA franchise and will only be available with the "Pro" edition of the game.
- Player DNA - Every player is unique and at every position, footballers bring a wide variety of different skills, traits, and abilities to the pitch. Even if they have the same playing style, there is always something different and new they bring to the game. For example, Antonio Valencia is fast and a very hard-working player, but he has limited stamina when he's sprinting. Celebrating goals, diving for the ball, and setting up teammates create a variety of reactions in the crowd.
- Conquest - Professional mode introduces the concept of the "Player and Club Evo Quest." Conquer the range of locations that you are competing in and more - Complete your quest with a win over the top-ranked club in the country. Or work your way up through the club ranks - Reaching higher could give you an opportunity to play at the World Cup, where you could face the best clubs in the world.
- Continental Classics - With Confederation Cup qualifiers entering the mix, this year'
