The downfall of the US was that they used all the resources they had at their disposal, for the good. So you ruined it for them. You can't disagree that things would be much better today, but the same mistakes would be made, and probably worse. They are doing it to US too. But the fact is that we both used up all the resources we had on Earth. So it really makes sense for you to leave and look for a better one, and I would gladly like to see you go out with a change in your relatives are not very happy with you right now. You should find a way to apologize to them in the next life, or even in this one. My condolences to them, I hope they accept it and we can all live together again.

It's great to have an inspirational teacher. It's even better to have an inspirational teacher who is also an amazing artist. ... That was
