Naturally Speaking 12 serial key 8.0Just
days before he left for Saudi Arabia to

promote anti-Iranian rhetoric among oil markets, Secretary of State Mike Pompeo took aim at the Saudis, calling the kingdom's energy cooperation with Russia and China "destructive" to the region. On Tuesday, Secretary of State Mike Pompeo rejected a U.S. journalist's question about the Trump administration's policy of "maximum pressure" on Iran. "You tell me if there is some way we can apply that pressure on Tehran, because that is the real issue here." Pompeo said in a Friday interview with CNN's State of the Union, adding that the government of Iran would decide when to resume enrichment. Pompeo's comments in Saudi Arabia on Monday, as President Donald Trump's national security adviser, and other actions suggest the administration is

also looking to reduce or punish Saudi Arabia for its support of Iran during the nuclear negotiations. The administration's economic approach of freezing Iranian oil revenue has also chipped away at the kingdom's budget, making it harder for it to meet many of its obligations and develop its military. "It is important that we unite against a common enemy: the Iranian regime," Pompeo said. "We have no greater friends in the region than the
