## **Features Key:**

- World-class realism: With over 700 broadcast-quality stadiums and authentic kits and balls, FIFA 22 introduces the World Class Broadcast engine and a full suite of new gameplay features to provide a deeply immersive gaming experience, including the best crowd in any sport.
- Balanced gameplay: New attributes put men's, women's and UEFA Pro gameplay on level-pegging. Innovations make FIFA more adaptable and easier to learn and master, while new tactical play makes it more fun to plan and execute smarter, more subtle football, improving player education and enhancing the creative process.
- The Off the Ball Intelligence engine determines more of the story behind key moments and more importantly, when those moments occur. The Off the Ball Intelligence engine also provides realistic goal kicks, shots and team movement.
- Improved Player Reaction: Player attributes change as your football evolves. A wider variety of Master Classes offer enhanced skill-sets for players to master new ball skills, to result in more special and more direct moves, just like real football. Passes get easier to connect. Set-pieces and shots change depending on where they take place on the field.
- In-depth Team Control: Your footballing IQ (off the ball intelligence) also improves as you master your tactical skills with improved formations, playmaker responsibilities and player roles, as well as deeper, more robust Goal Control systems.
- Multi-platform compatibility: FIFA 22 delivers the most appealing interactive platform ever seen in a game. Every mode from soccer to 5v5 is easily accessible on the Xbox One, Xbox One S, Xbox One X, PS4™, PS4™ Pro, PS4™ Lite, PS4™ Pro, Nintendo Switch, PC, and Mac.
