He stated that an Asad was an "Auliya" and an "Adeel". He further said that all of the Asad's (of the Ahl-e-Sunnah wal Jama'a) were "Adeel" (pure) and that there was no trace of corruption in their religion. The word "Shami" in Ø\$Ø-ÛØØ\$Û means "perpetual" and "complete". This language was the language of the Arab Ummah as it was spoken all over the area that fell under the rule of the Abbasids. In his religious statements, Ibn Taymiyyah used the word "Adeel" to designate many individuals as believers. In fact, he usually included other terms to designate a specific individual as "Adeel". Religious beliefs and practices of the "Mestibe" (natives of "Mazzât") Reference: Islam e Taymiyyah, Lajnat Fadal, 2/395 Additionally, the following individuals are mentioned among the "Adeel" in the book: (1) 'Abdullah bin 'Amr - one of the companions of the Prophet, who was the first person from his people to turn to the straight religion; he was a believer and had not been amongst the Muraqaba (polytheists). (2) Al-Hallab bin Abdul Rahman bin Baz (3) Al-Walid bin Abdul Rahman bin Baz (4) Abu Haishim - the friend of the Prophet, he was the first one to follow him. (5) Al-Fadl bin Abdul Rahman bin Ahmad (6) Al-Mundhir bin Saeed Al-Ghanim (the teacher of Imam Muhammad bin Taha) (7) Al-Mundhir bin Saeed bin Abi Rabah Al-Wakil (8) Al-Mundhir bin Saeed bin Ahmad Al-Murtada (9) Hammad bin Malik bin Salameh Al-Khudri (10) Ibn Abi Layla Al-Qurazi (11) Ibn Abi Ja'far Al-Zuhri (12) Ibn Umar Al-Kasani (

But the adroit phrasing hides how clueless and idiotic the speech was. Here, trying to make the point that Clinton should have been tougher on the region, Gillibrand says, "I'll have a plan to end it if I'm elected president."

She could be saying that the plan is to end war and to cut off funding of things like global war on terrorism and its local proxy, al Qaeda. But as a matter of fact, the policy Gillibrand would implement if she were president would be to stop fighting wars. AD AD Gillibrand has tried to differentiate herself from other Democrats by pitching a "plan" that's not a plan. But it's also not a plan. As for the

plan to end the war on terror, she has a "simple strategy," she says. In essence, she says that she would have the U.S. "separate out" al Qaeda from those groups, negotiate with them directly and "not through intermediaries." The strategy sounds good, but it has never been tried. At best, it's a delusion of the mind. Gillibrand seems to be saying that if the U.S. could not negotiate directly with al Qaeda, it should have in the past. But there's no evidence it ever tried to do that. There is, however, evidence that it tried to negotiate indirectly through intermediaries with groups such as the Taliban and others. But that's exactly what Gillibrand wants to do.
