The journey begins here.Q: Why does the 'Returns' column in the SQL Server Management Studio Viewer show what appears to be a duplicate entry? I'm trying to understand why the Return column in the SQL Server Management Studio shows a duplicate entry. Any help with what I need to do to get rid of the duplicates would be awesome. A: The IDs in the ResultSet are not unique. Some result rows appear multiple times in the ResultSet as a result of the WHERE condition in the SELECT statement, and every row in the result set must be matched with a row in the base table, and you only have a single row in the base table. You can either change the result set to return only one row, or remove any duplicates from the base table using the PRINT or SELECT statements Q: How to merge two union queries I have two queries that get called from a pivot process so that I can get data for the three year bands at different levels of the graph: With DataPivot2 As (SELECT SUM(Amount) AS Amount ,DATEPART(yyyy, MES) AS YEAR FROM [Table] WHERE DATEPART(

FIFA 22 delivers one of the biggest and most authentic football experiences of all time. Every time you step onto the pitch, the crowd comes alive, the players are drenched in sweat and the atmosphere explodes. And because every game is the most important game, every victory is just as priceless. Welcome back to the world of football, it's been waiting for you. Official Licence from the UEFA, ECA, CAF and CONMEBOL CAO Authentic Equivalent Optimal platform with a fully customisable and adjustable camera angle, which enables the game engine to do a better job rendering the stadium environment and players. Enhanced Player Performance, Seamless Injuries Goalkeeper - Leverage Keeper to take on up to six consecutive shots at any moment. Defenders - Speed and agility are at the heart of defender movement. Defenders may sprint and turn instantly, and are also more agile in the air, allowing them to intercept the ball and knock it away. Defenders must also be careful not to dive. Midfielders - Go into the Action. Unique to FIFA 22, midfielders can make short cuts through defences, joining the attack before the centre-backs. Backheels and flicks will also yield more rewards. Forwards - Feel the power. Being faster and quicker on the ground, forwards can take on multiple players with ease. Destroying the last defender and rifling the ball into the back of the net isn't always easy, but if they get their balance just right - the result can be devastating. Every goal in FIFA 22 is more exciting thanks to forward dribbling. UEFA Club Competitions - Play with your favorite club across all competitions and battle it out in the UEFA Champions League with a range of historic clubs from around the world. From the Premier League, La Liga, Bundesliga, and Serie A, to club
