Davis and UK completed another perfect week of basketball on Friday with their 65-50 victory over Louisville. Meanwhile, the Wildcats improved their record to 31-0, the best start in school history. More NCAA basketball updates Right now, Davis is a likely top pick in the NBA Draft later this month. Last year, no one knew who Anthony Davis would be when he was selected No. 1 by the New Orleans Pelicans. Now that the Kentucky sophomore is leading the nation in almost every statistical category, it's time to take a peek at where he ranks among the best players ever. Davis' personal shooting chart The guard leads the nation in field goal percentage, 3-point shooting and free throw percentage. He's also one of four players with at least 1,500 points, 1,000 rebounds and 600 blocks. Check out Davis' defensive chart This is the part where he actually gets some attention. In fact, all the attention he's received so far this season has been due to his ability to shut down opposing guards and forwards. Anthony Davis' individual career offensive stats Through 26 games this season, Davis has scored 1,166 points, grabbed 583 rebounds, blocked 306 shots and dished out 90 assists. He's also shooting 52.5 percent from the field and 79.3 percent from the free throw line. Anthony Davis' individual career defensive stats Davis is having an incredible season on the other side of the floor as well 648931e174
