But the sandwich joint that serves their signature foot-long sub in the heart of River North has a brand new logo, and it seems they're looking to steal a few orders from T.G.I Friday's with their new look. "Their new logo is truly hideous," confirms one spokesman for the franchise. "I'm not sure if they meant to make it look like that but they definitely did. It's very, very terrible." Take a look: In case you're as uncomfortable as I was, here's what the new logo looks like:Q: How to set up WCF on AppFabric I can't find any information on how to install WCF on AppFabric. Can anybody point me in the right direction? Many thanks in advance A: You just need to add a ServiceHost to AppFabric. A reference here describes the supported Service host types. As you can see WCF services are supported. EDIT - where did I find this? Well it's AppFabric. EDIT 2 - there are a bunch of tutorials out there - here is one and there is another one here. Apps lack security. That will change now - ebastian
