The new technology allows players to dynamically react to situations during the game, increasing their ability to take risks and make critical decisions. Players can react more rapidly to dangerous situations and also make subtle on-the-ball movements that help create scoring opportunities. "The HyperMotion technology is a breakthrough for FIFA, the game is the ultimate expression of football on the pitch, and we have created an authentic and powerful way to represent the intensity of a game," said David Rutter, FIFA Executive Producer. As a brand-new feature, FIFA Ultimate Team allows users to play in any settings in the game. FUT allows players to choose their characters' outfits, stadium and appearance, to create a customised player with a personal style, and to buy items that boost players' attributes. FUT users have a huge variety of ways to connect to a game, from Xbox One, PlayStation 4, PlayStation 3, Wii, Wii U and Xbox 360. FUT is a way for fans to collect and keep all of the players they've bought and sold over the years. Fans can also use the Create-a-Club feature to create clubs of their favourite players, and take their club to the next level. FIFA Ultimate Team will be available in February on PlayStation 4, Xbox One and PC. Developed by EA Canada, FIFA Ultimate Team will be available for Xbox One, Xbox 360, PlayStation 4, PlayStation 3 and PC at \$59.99 USD / \$79.99 CAD / €59.99. In FUT, fans can create their own player using the Build Ultimate Team feature. Fans can take the next step from rookie to legend by creating the ultimate team around their favourite player. They can use the Create-a-Club feature to design their own club, starting with a kit and crest, taking inspiration from the players and coaches in their FIFA Ultimate Team squad. As their team's stature grows, fans can unlock additional items, and in turn, the players in their squad can grow stronger. Each of the FIFA Ultimate Team cards is customizable and its original price is reflected in-game. Fans can also bring their squad to the next level with the Real Club Experience. Players can compete directly against their friends in FUT's Quickplay and Clan Matches, which also allow players to play in the same mode with the same stats as their friends, to create
