The feature can be accessed on PC via the in-game menus. It is particularly useful if you want to get a feel for how the ball behaves through the air, and examine the effectiveness of your own team's individual strength and weaknesses. Seleção Brasileira captains will be able to add further instructions in Brazil's in-game menus for this technology. Team of the Season players Additionally, selected players from the Team of the Season feature have been added to the FIFA Ultimate Team 21, including: Guadamur Casmurro (Benfica and Brazil) Alex Sandro (Juventus and Brazil) Clive Carter (Liverpool and Brazil) Beside the new features, FIFA 21 will bring the FIFA 20 Visual Experience to FIFA Ultimate Team. The Visual Experience contains a refreshed and improved Ultimate Team Legends pack and the Standard Edition of the game. Additionally, FIFA Ultimate Team and FIFA Club Football will get improved 3D match day atmospheres, overhauled and reworked match results screens and innovative new cards (which can be used on pitch), new targets and player highlights. New career mode In a new career mode, players will be able to start as a footballer, managing a team from the youth team to the professional side. Players will go through a selection of different paths, developing their player and taking on coaching and management roles along the way. They will also be able to test drive the game environments, which includes a variety of pitches, weather, in-game technology and crowds in the standalone version of the game. The new career mode will include a new training feature where players will be able to practice different training drills and improve their team's fitness. Champion Coach The traditional career mode will also include an alternative career mode for Champions who play for other teams. Champions will get new storylines, in which they will take on coaching roles and manage a full squad, dealing with tactical and opponent challenges. The game will also include a new feature called "Champion Coach" in which the player would come up with custom tactics, formations and other team strategies, thus allowing them to become a real head coach with the most original and dynamic experience in the series. More news The developer also announced that FIFA 20 will be getting new stories, as well as a new matchmaker for career

What is FIFA 22? FIFA 22 is the latest instalment in EA's FIFA franchise and the first in the game's current generation. Combining stunning visuals with deeper gameplay, FIFA 22 opens a new chapter in the greatest football simulation ever created, delivering a host of new innovations and features. What are the differences between FIFA 19 and FIFA 22? In FIFA 19 and FIFA 22, the same cutting-edge gameplay innovations make a return, including FIFA's new Focused Improvement system, where the AI takes over more of the non-player controller workload to improve the game experience for the FIFA player. This is complemented by the introduction of Moments, or brief gameplay flourishes, that make it more fun to play FIFA. FIFA 19 vs FIFA 22 - Can I Compare? FIFA 19 vs FIFA 22: 2018 World Cup® - Champions League - EUROPEAN FOOTBALL 2020 What are the gameplay differences between FIFA 19 and FIFA 22? In both FIFA 19 and FIFA 22, fans can expect gameplay innovations that make FIFA deeper, more authentic, and more strategic. FIFA 19 • FIFA 19 features a new Focused Improvement system, where the AI takes over more of the non-player controller workload to improve the game experience for the FIFA player. This is complemented by the introduction of Moments, or brief gameplay flourishes, that make it more fun to play FIFA. • FIFA 19 introduces 'super kits' that replicate the authentic designs of licensed club and national teams. Players can now be heard making their shirt selections, and the action on the pitch can be further refined by players choosing the exact kit that they prefer to use. • For the first time ever in FIFA, users can call their own fouls. The new system updates the game's handling of fouls, allowing for more strategy when dashing in for the challenge. • A total of 600 players have been named in both the PES and FIFA 19 Ultimate Team kits for the new season. • A new
