Fort Lauderdale, FL 33314 This software has been awarded beta Status to ensure the product is safe for use and stable.In the US, we have an asshole president (well, the most we have had in a long time at least) who is grabbing even more power to himself and infringing on our rights to freedom of speech and our second amendment. He can suspend the constitution and void all court rulings that criticize him or his fascist policies and has the power to take citizens and lock them up to be tortured by agents of the state without due process. You know, one of the rights granted in the constitution. So, I'd like to thank him, but he is becoming more and more intolerable and, therefore, I really don't want to thank him, you know? When the fifth (my daughter) asked who we voted for last night, I couldn't tell her. When I asked who she thought we should vote for, she guessed Republican. I told her it was actually a trick question and invited her to vote for me. (We are old enough to work this out...she has voted for me before.) When she complained that she would not be able to work on her own independent research if we voted for the Republican, I told her that we were no longer in an educational system that was based upon coercion and domination of the masses. She was not pleased. When she told me that her friends all know that they can change the vote on the Internet if they want to, I asked her why she would choose to vote in the old way. I am still getting used to not being a congressperson. I guess this is as good a time as
