I live in India and I need to transfer money from the US to India. And I was wondering what is the best way to go about it. A: It's a common experience (in the US as well) for I send a MoneyGram and don't get the best rate, or for a few days it is not readily available. The problem is that many people don't really trust them, and the'sure' method of wire transfers takes a long time. But MoneyGram has a special rate of 3% (or 4%) if you use their "What's my rate?" option. This includes a quick turnaround, and it is
