Total War [Battlefield] is actually
a good scenario for a softwar
game. I want to play Total War
Attila V1.3.0 and Total War
Rome 2 and use Total War Naval
Clash on the same PC on
different monitors (so I can play
them together). However, I can
play them both at the same
time or not at all. Is it possible?
Total War Attila V1.3.0. I bought
it for the day I got into video
game collecting. Luckily this day
is long past. I can't find it online.
Perhaps someone who knows of
its existence can provide a link
