As a player, Ultimate Team mode allows you to play through a full career of the game's best players and compete with your friends to buy and sell players, build the best Ultimate Team on the market, and even develop your own custom team and win cups with your FUT squad. As a manager, you can use your My FIFA method points to build the world's best team. FUT draft – FUT Draft gives you the chance to create custom leagues, or to download a range of official FIFA International Leagues directly to your device. Not only that, when you go to the stadiums and make the teams, you'll even be able to view your team selection based on the rules of the league. EA SPORTS Soccer – EA SPORTS Soccer is the definitive football game for mobile devices and includes more than 1,000 licensed clubs and players, as well as some real challenges in gameplay. Whether you choose to play on your own or play against friends, you will have fun. POWER FEATURES My FIFA Soccer: Select your club, make your team, train and develop your players and work your way to the top of the leagues, as well as compete in online tournaments. My Player: As a player, you can create your own custom player – What will your player look like? How will he play? Who will play next to him? And the more matches you play, the more FIFA points you will earn. My Club: As a manager, you can create your

own team, from your own logo to your own stadium. My Leagues: Challenge friends and see if you can beat their records. It's not just about you anymore - win on behalf of your friends. My Player Method: You can play with a friend or challenge other players online to win cups and accolades. Want to test your skills in a different way? Choose My Player Method, a special game mode that allows you to train and even play a match as a random player. My Stadium: Create your own stadium, from its interior to its facade, then add your team colors and pictures. My Management: Select one of five regional management simulations, from marketing to salaries. And use My Management mode to help further develop your team. My Contacts: Keep in touch with your people in the form of My Contacts. AI Director: The all-new, fully-featured AI Director

What's new:

- **Capture and Accrue masterclasses - Use your talents to master your very best skills in FIFA 22. Capture the greats and Accrue and upgrade coins that you can use to improve your game.**
- **Hype. Is that a new feature?**
- **The latest FIFA engine provides greater control of defensive cover, an injury bar, and shadow players.**
- **New Pass and Vision AI technology - Your opponent will make new passes and try new tactics when facing you, improving the overall flow of the game.**
- **The playing characteristics of the Ball have been updated for more realism, such as the behaviour and movement of the ball. For example, the precision and accuracy of high-velocity passes, the erratic bounce of free kicks, and the spin on the ball.**
- **Overview - A new mode that gives you the overview of the game. Follow the match action from anywhere.**
- **Player Ratings, Team Tactics, Team Style, and Timeouts**
- **The goalkeeper positions have been updated and enhanced.**
- **New stadiums and kits - Includes new kits for Manchester United, Valencia, Benfica, Chelsea, and Montpellier; and new stadiums for Bayern Munich, Madrid, Sporting Lisbon, and AS Roma.**
- **FIFA 22 will feature Downloadable Content from EA Access.**
- **FIFA 22 is compatible with the Xbox Play Anywhere feature. When linked to an Xbox One, digital versions of the game purchased on Xbox One will be playable on both the Xbox One and Windows 10 PCs.**

-
- **Take on the Challenge Issued 2 challenge mode.**
